

## Fiche technique - B VASE

 Carbone

### Care instructions:

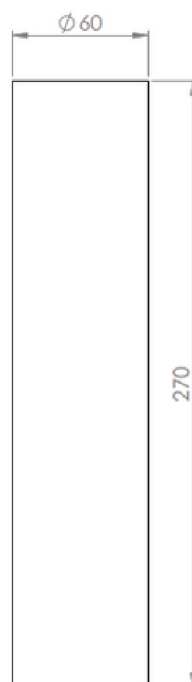

- Clean with glass cleaner or simply with soapy water.

B Vase is a cylindrical vase made of carbon fiber. This light, slender, sleek vase is a graphic and minimalist object that highlights the beauty of flowers.

The red B of the BELULL logo discreetly decorates the bottom of the vase.

This object is packed in its gift box. For Valentine's Day, Mother's Day, a birthday, B Vase is a unique object to offer to your loved ones.
